## SCORING RUBRIC

SUBJECT	OUTSTANDING (7-9 PTS)	AVERAGE (4-6 PTS)	MARGINAL (1-3 PTS)	INCOMPLETE (0 PTS)	SCORE	COMMENTS
<b>Thoroughness in addressing the topic</b>	Video describes a clear picture of the topic chosen.	Video describes a relatively clear picture of the topic chosen.	Video does not describe the topic chosen well.	Video does not adequately address the topic.		
<b>Creativity</b>	Provides an innovative, unique, interesting approach to subject.	Some unique aspects are conveyed.	Offers interesting elements but nothing greatly innovative.	Lacking uniqueness throughout.		
<b>Editing &amp; Videography</b>	Video was well edited, good transitions; audio was clear and other elements (lighting, angles, titles, etc.) offered excellent enhancements.	Video elements are acceptable.	Editing issues take away from the effectiveness of the story.	Technical issues, such as unsteadiness, were widely evident.
